

# Technology Protection Plan

Netcong Elementary School is offering a Technology Protection Plan to alleviate the cost of chromebook repairs due to accidental damage. This annual agreement covers accidental damage to a single chromebook loaned to the student for a maximum cost of \$225 (the cost of a new device). Coverage is effective from the receipt of payment through the end of the current school year. The Technology Protection Plan is non-refundable.

Coverage and fees are renewed on an annual basis, and follow the schedule below:

First repair: School covers 100% of cost  
Second repair: School covers 50% of cost  
Third repair: School covers 25% of cost

**All subsequent repair costs are the responsibility of the students/guardians**

Lost or damaged power adapters are not covered under the plan and must be replaced at full cost. Intentional damage is not covered.

## **Technology Protection Plan annual cost per student:**

Standard cost: \$25  
Students eligible for reduced lunch: \$10  
Students eligible for free lunch: \$5

In the event of physical damage to the device, students/guardians that waive the Technology Protection Plan coverage will be required to pay full costs for replacement parts. Typical costs are listed below:

Lost or damaged beyond repair: \$225  
Lost or damaged power adapters: \$30  
Damaged palm rest/keyboard/trackpad: \$55  
Damaged display: \$25  
Damaged top or bottom cover: \$25  
Damaged display bezel: \$20  
Damaged hinge: \$15

## **Loss or theft:**

Lost/stolen devices must be reported within 24 hours of discovery. If a device is lost, students/guardians will be responsible for the full cost of replacement. In the event of theft, replacement costs will be covered by the Protection Plan in accordance with the coverage percentages listed above. Claims of theft must include a completed Netcong Borough police report, signed by a parent/guardian.
