

Dear Parents and Guardians,

Thank you for a great first day back to school. We look forward to a very successful and productive school year.

If you are driving your child/children to school each day, please ensure you drop off and pick up your children at the correct locations and times to ensure we do not have a backup of cars on the streets around the school. Arrival and Dismissal times and locations are located in the Genesis Parent Portal under Bus Information on the Summary Page.

ANNEX/PROSPECT STREET ARRIVAL AND DISMISSAL: We have made a slight adjustment to arrival and dismissal procedures for Kindergarten students and their siblings. Please ensure that ALL students in Kindergarten (and their siblings) are dropped off on Prospect Street as Kindergarten classes are in the Annex. If you are a Kindergarten walker (or a sibling) coming to the Annex/Prospect Street drop off, please stay to the right on the sidewalk and ensure you maintain social distance between your family and other families. If you drive your child/children to school, please REMAIN in your car until a staff member takes your child's/children's temperatures and clears your child/children for entrance into the school. At dismissal, please REMAIN in your car as a staff member will walk your child to your car. Please have the laminated sign that was sent home today with you at dismissal and on the dashboard so that we know to whom we are dismissing students.

COLLEGE RD CIRCULAR DROP OFF: If you drive your child/children to school, please REMAIN in your car until a staff member takes your child's/children's temperatures and clears your child/children for entrance into the school. At dismissal, please REMAIN in your car as a staff member will walk your child to your car. Please have the laminated sign that was sent home today with you at dismissal and on the dashboard so that we know to whom we are dismissing students.

WALKERS: All Walkers, with the exception of Kindergarten students and their siblings, should enter and exit the building at the Main Office entrance.

BREAKFAST AND LUNCH VIRTUAL STUDENTS: Students who are learning remotely may pick up their breakfast and lunch between 9:00 am - 10:00 am on the days you are ordering food.

Thank you for your patience and support as we streamline these new procedures.

Have a good evening.
