Dear Parents and Guardians,

Thank you to all who participated in the survey that was sent out to gather input on the remainder of the school year. Based on the survey results, students will begin attending school on Mondays via a phased in schedule. Students are expected to complete special area work in the afternoons after they are dismissed from school. Schedules for students receiving RTI will be adjusted accordingly.

The schedule for students returning to school on Mondays is as follows:

Grades PK-2: Attend school on Mondays beginning on 4/12/21

Grades 3-5: Attend school on Mondays beginning on 4/26/21

Grades 6-8: Attend school on Mondays beginning on 5/10/21

Students who come into the building on Mondays for additional services and students attending the Middle School Academy on Mondays will continue to do so until all grade levels are phased back into school on Mondays.

Arrival and dismissal times and locations will remain unchanged for the remainder of the 2020-2021 school year.

Thank you for your continued support as we continue to navigate these uncharted waters. If you have any questions or concerns, please feel free to contact my office. Stay safe and well.

Sincerely,

Kathleen E. Walsh
Superintendent
