

Dear Parents and Guardians,

The New Jersey Department of Education released their Restart and Recovery Plan for Education. At this time, we are seeking parent and student volunteers to serve on the committee. Once we have received the names of interested volunteers, we will select participants who represent a cross-section of the students and families in our district.

Our initial meeting will be on July 13, 2020, at 1:30 pm and the subcommittee meetings will meet at other scheduled times. Parents selected to serve on the committee will serve on subcommittees and students selected to serve on the committee will have their own committee.

If you or your child are interested in volunteering, please complete the Google form by following this
