

Unfortunately, since there were no parent volunteers, open gym is cancelled for tonight. If you are interested in volunteering so future events can successfully take place, please reach out to the PTA.

The PTA is also looking for parent volunteers to fill the position of PTA treasurer and PTA secretary. If you are interested, please email netcongpta@netcongschool.org. Please indicate what position you are interested in and why you think you should be chosen. All interested candidates must submit their nomination no later than march 3rd. Thank you!
