

Dear Netcong Learning Community,

Due to inclement weather and the potential for hazardous travel, the Netcong School District will be closed on Tuesday, March 14, 2023. The Board of Education meeting will take place this evening at 6 pm via Google Meets. The link for the meeting will be posted on the district's website one hour prior to the start of the meeting. The student recognitions scheduled for this evening's board of education meeting will take place at the April meeting. Be well.
