Dear Mr. Pennisi:

Subject: Special Education Monitoring Report – Correction of Noncompliance – Netcong Public School District

This correspondence has been sent to inform you of the status of the New Jersey Department of Education, Office of Special Education Programs (NJOSEP) onsite monitoring regarding the Netcong Public School District's implementation of federal and state special education requirements. No further action regarding this monitoring is required by the district. Of the 46 requirements reviewed, the district demonstrated noncompliance with 11 requirements. Through ongoing verification activities, the district demonstrated correction of all areas of noncompliance. The district must maintain a system of oversight to ensure continued compliance with federal and state special education requirements.

The NJOSEP appreciates the cooperation of district staff members during the monitoring and verification process.
