November 12, 2021

Dear Parents/Guardians,

Although it seems early, plans are already underway for our 8<sup>th</sup> Grade Commencement Ceremony in June. As part of our graduation activities a representative from Jostens will be at our school on Tuesday, November 30, 2021, to measure your child for his or her graduation Cap and Gown. They will also present class ring options to the students.

The Cap and Gowns are required for students who wish to participate in our Commencement Ceremony. The cost this year is \$35.00 and is due by Monday, April 4, 2022. Class rings are a memento of your child's time here at Netcong Elementary School and are not a required purchase. Informational flyers and ring order forms will be sent home with your child at a later date.

We will continue to update you about Commencement plans through the year. Please remember to complete and return the diploma form that was sent home with your child last week. Copies of the form are available in the office or on the homepage of our website at [www.netcongschool.org](http://www.netcongschool.org). Diploma forms are due on Tuesday, November 30, 2021.

Sincerely,

Kurt Ceresnak

Principal
