Five (5) snow days have been built into the calendar. If more are needed, they will be taken in reverse order from spring break starting with the last day of spring break. If any built in snow days are left over, they will be given back at the end of the school year.

This calendar, along with any stated provisions for days off and end of the year, are subject to change due to circumstances at anytime with board approval. Individuals are advised to consider special travel insurance regarding recess periods and end of year dates.
