Dear Netcong Elementary School Parent/Guardian:

It is with great pride and excitement that I write this letter of introduction as the newly appointed principal. I have spent my entire educational career in New Jersey having worked as a teacher, coach, academic facilitator, assistant principal, grant coordinator, and principal. I have had the privilege of working as an administrator at the elementary, middle, and high school levels and am thrilled to bring my skills as an educational leader to your child's school.

I want you all to know that I am energized and committed to ensuring that the staff provide each child with a motivating and challenging academic program within a safe and supportive environment. Parents are important members of our school team. During the course of the year, it is my hope we will work together to provide your child with a solid foundation to be successful in school and beyond.

As Principal, know that my door is always open. I welcome comments, concerns, suggestions, ideas and/or any questions you may have. I want your child to have an amazing school year! I look forward to earning your trust and respect in the coming months.

In Partnership,

Mr. Kurt Ceresnak
Principal
