Netcong School District Installs New Playground

On Thursday, September 14, 2017 at 5:30pm, several stakeholders from the Netcong School District had a ribbon cutting ceremony to celebrate the installation of the new playground for our elementary school students. The installation of the playground has been a long time coming and we are excited that our students have new equipment on which to climb and play. "I am so happy that the new playground is finally installed and ready for the children. Our students and parents are certainly excited as well," said Kathleen Walsh, Acting Principal.

In attendance at the ribbon cutting ceremony were: Bernadette Dalesandro, School Board President; Board Trustees David Costanzo, Charles Kranz, and Kevin Quan; Business Administrator, Nicole Sylvester; Acting Principal, Kathleen Walsh; and PTA President, Tracy Szewczyk.
