| a. The district accepts Tier 2 students. | Yes |
| b. The district gives enrollment preference to students who have a sibling currently attending the choice district, provided they will enroll in a choice-approved grade/program and they meet any program-specific criteria. | Yes |
| c. The district gives enrollment preference to choice students who have completed the terminal grade of the sending district (i.e., students who attend a choice district with grades that terminate before 12th grade and with a natural progression to this choice district). | Yes |
| d. The district gives enrollment preference to resident students who move <u>before</u> the application deadline. | e. The district gives special consideration to resident students who move <u>after</u> the application deadline. Students in this situation may apply as late applicants, PROVIDED that there are choice seats available in the choice-approved grades/programs and the students meet any program-specific criteria. <i>If the district has already reached its approved choice enrollment maximum, this special consideration will not apply.</i> | Yes |

TRANSPORTATION NOTE TO PARENTS: *Transportation of choice students is not guaranteed.* If a student is eligible for transportation (within 20 miles of the school) and the cost will exceed \$884, the parent/guardian will be given \$884 as aid in lieu of transportation and, in some cases, the option of receiving the transportation and paying the additional amount over \$884. By Aug. 1, 2017, parents should receive notification of their transportation options from the resident district. For more information, read the [Transportation Procedures](#) for choice students.
